## Fulfillment

"Lo, I come: in the volume of the book it is written of me..." (Ps 40:7)

"...I am not come to destroy but to FULFILL." (Matt 5:17)

"...to FULFILL all righteousness..." (Matt 3:15)

"...expounded unto them in all the Scriptures...all things must be FULFILLED..." (Luke 24:27, 44)

Fulfill from the *Websters New World College Dictionary*: "1. to carry out (something promised, desired, predicted, etc.), cause to be or happen; 2. to do (something required), obey; 3. to fill the requirements of, satisfy (a condition) or answer (a purpose); TO BRING TO AN END, complete."

A concept that is almost completely ignored by the Christian churches, fulfillment is the key to proving [Yahshua](#) was the long awaited Messiah. Israel missed the proof even though it was they that had the Scriptures giving the law and the prophecies which Yahshua fulfilled! And now, strangely enough, Christianity teaches that Yahshua the Messiah instituted practices when He walked the earth, things He did which we are taught we should do, rather than being taught what He fulfilled.

In fact, according to Himself (*Matt 3:15, 5:17; Luke 24:25, 44*), Yahshua came not to institute but to fulfill the law and the prophets, the first 5 books and the rest of the Old Testament respectively, which showed Who He was in that specially prepared body (*Zep 1:7*) [born of a virgin](#) thus bringing to an end the Old Covenant (*Col 2:14*) when He kept its laws perfectly and also fulfilled the prophecies concerning Himself. Then He ushered in a New Testament which required the death of the testator, Himself (*Heb 9:16-18*), to come into effect and is contingent upon faith (*Heb 11:1, 6*) in the One who did that work for us (*Heb 9:24 through Heb 10:9*), died for our sins once (*Romans 6:10; Heb 7:27, 9:25-28*), and fulfilled the Old Law completely in order for it to be set aside(*Col 2:14*) so that in Yahweh's sight we are covered with Yahshua's righteousness and the blood of His sacrifice, which allows us to achieve eternal, spiritual life in the assembly of Yahshua through the indwelling of His [Holy Spirit](#).

Most people are aware that Yahshua was prophesied to be born in Bethlehem of a virgin and that Yahshua possibly may have fulfilled those prophecies but few people understand the enormous mission He was on to fulfill many, many prophecies about Himself. The institution of physical works (the Old Law) was in the Law and the Prophets or the Old Testament and was accomplished by [Yahshua \(called Joshua in the KJ\)](#) when He came to lead Israel out of Egypt and into Canaan's land, providing physical salvation through the leadership of Moses at the direction of Himself (Yahshua). The New Testament shows how, when He came 1490 years later through a virgin as Yahshua the Messiah, He was on a mission to fulfill what was instituted in the Law and the Prophets which proves He is the Messiah: (some of the things he came to fulfill include but are not limited to the below):

- To fulfill the institution of the [Passover](#) by being the Lamb of Yahweh which John the Baptist called Him (*John 1:29*) as did John the Revelator or Beloved (*Rev 5:5-6*):
  - By having no broken bones like the first Passover lamb (*Ex 12:46; Ps 34:20*).
    - Note: our bones point to our inner man or [soul](#) and His inner man was the sinless Holy Spirit whose physical body was the acceptable, perfect sacrifice for the world's sins.
  - By having 4 points of blood on Him (hands, 2 nails + feet, 1 nail + head, 1 crown of thorns = 4) like the 4 points of lamb's blood on the door at Passover (*Ex 12: 7,22: sideposts, 2 + lintel, 1 + dipping from 1 basin* = 4). The lamb's blood caused the death angel to "passover" the Israelites' houses preventing physical death from entering. Yahshua's blood prevents our eternal spiritual death (damnation: being eternally alienated from the presence of Yahweh and suffering eternal delegation to the [Mystery of Iniquity's](#) kingdom) by causing a passover from spiritual death into spiritual life while yet in a physical body (or going from a carnal mind to a spiritual mind or soul) for those that believe and thereby receive the [Holy Spirit](#) which enables this transformation.
  - By His physical body being totally consumed while in a sealed sepulchre (*Matt 27:64; Luke 24:2-3*) like the first Passover lamb which had to be totally consumed or the remains burnt up (*Ex 12:10*) .
  - By going to His death as quietly as a lamb as was prophesied in *Is 53:7*, without defending Himself or trying to escape - sheep are known the world over for their lack of fight at the approach of death.
- To fulfill the [Tabernacle pattern](#) ( *a pattern of heavenly things* - *Heb 8:5*):
  - The 4 points of blood on Yahshua also fulfilled the altar of sin sacrifice that was built, according to the vision given to Moses by Elohim (*Ex 25:8-9*), with 4 horns on which the blood of the sacrifice was put (*Ex 29:12*). He also fulfilled many other 4 points of blood evident in Bible stories. The number 4 (sometimes with place setter zeros attached to it such as 40, 400, 4000) is a special principle carried out repeatedly in Bible stories. In the [Tabernacle](#) the door to the Holy Place (which allows an exit from the Court Round About which is a type of the physical plane or bondage to Satan and carnal thinking) opens into a place we are counseled to stand (*Dan 9:27; Matt 24:15*), and that door is the 4th step of the pattern. Yahshua Himself said He was the door (*John 10:9*) so the only way into the Holy Place where we are told to stand, is through Him.
    - NOTE:  
After His death there was a 5th point of blood made in His side (a spear was thrust into His body and out came blood and water) which fulfills [Adam's](#) side being opened and Eve being created from his rib and womb (*KJ Gen 2:22 {rib}; Holy Name Gen 2:18 &19 {womb}*). This opened the door (*Yahshua is the door of salvation* - *John 10:9*) for Yahshua's spiritual bride to come back into His spiritual body. This has to do with the principle of 5 which step 5 in the Tabernacle is the golden 7-branched candlestick which provides illumination in the dark and of which the center candle provides oil for all the other candles. Yahshua also said He was the light (*John 8:12*).
  - By announcing that He was the bread (*John 6:51*), the door (*John 10:9*), the light (*John 8:12*), and the intercessor (not the Pope and not Mary) between Yahweh and mankind (*Romans 8:34*) which things are all in the Holy Place of the Tabernacle pattern (intercession is the principle of the Altar of Incense which is utilized by the High Priest to waft pleasing fragrance into the Most Holy Place to please Yahweh in Israel's behalf), He made known that the Tabernacle itself and its functions were merely a type and shadow of Himself and His mission as the Messiah. He fulfilled, physically and spiritually, the physical Tabernacle and set it aside just as He also fulfilled the entire Law (*nailed it to His cross* - *Col 2:14*) perfectly so it could be set aside including all it's ordinances such as water [baptisms](#) or washings and [suppers or passovers](#). The appropriate temple now is our bodies (*I Cor 3:16*).
  - When after 40 days of allowing witnesses to see Him after His resurrection, Yahshua was taken up ONCE into heaven on a mission to fulfill the trips into the Most Holy Place yearly on the [Day of Atonement](#) (made by the High Priest for 1490 years to provide intercession for Israel), there Yahshua broke up His Holy Spirit or His spiritual body for those that had faith to consume after which they would have "...out of their belly...flow rivers of living water...(but thus spake He of the Holy Spirit, which they that believe on Him should receive...)" (*John 7:27-29*). In the Tabernacle and later in the Temple if that yearly atonement was made correctly by the Levitical High Priest and he saw the vision of Yahweh Elohim in the Shekinah on the Mercy Seat at the top of the Ark of the Covenant, he and Israel were forgiven their sins for another year. Now if we accept the one atonement made by Yahshua the Messiah (*Heb 9:25-28*) who is the High Priest of the never-ending Melchizedek Priesthood that replaced the Levitical Priesthood (*Heb 7*), then the flash of the Shekinah enlightens our minds ([souls](#)). This is made possible when we have the knowledge of the mystery of Yahweh revealed to us and we thereby receive faith in the salvation provided by Yahweh through His physical son, Yahweh Elohim in a physical body or Yahshua the Messiah (*which means Yahweh is salvation*), and we receive the [Holy Spirit](#) that ushers us into His glorious eternal body.
  - He not only shed His blood, water, and spirit when He gave up the spirit and then was pierced (*causing blood and water to flow from His body*) to fulfill the Court Round About functions in the [Tabernacle pattern](#), He also fulfilled those same things when He was baptized in water by John the Baptist to "...fulfill all righteousness..." (*water* - *Matt 3:11-16*), "...the spirit of Yahweh descending on Him like a dove..." (*spirit* - *Matt 3:16*), and then He was crucified (blood) just as the sacrifice in the Court Round About had to be killed (blood), washed (water) by the priest who had been appointed (*a type of spirit*) and then burned on the altar of sacrifice. The principle of blood, water and spirit, OR water, spirit and blood, OR spirit, blood and water in any configuration points to the gospel: that Yahshua died for our sins so we might receive salvation. They are all principles of the sacrificial area of the Tabernacle in the Court Round About which is a type of the physical plane and pointed to the death, burial, and resurrection of Yahshua the Messiah. He fulfilled the ultimate blood, water and spirit witnesses of which *I John 5:8KJV* speaks and of which there are many, many types and shadows in the Old Testament in order to give witness to Who died on that cross. Yahshua's blood and water came out of his side when it was pierced with a spear, and His spirit left just prior to that. That is a tremendous witness to say Yahshua was the Messiah Israel had been looking for and then missed at that time (*in order to open salvation for everyone else as was planned*), the one who fulfilled, ultimately, the three witnesses given on the earth all of which agree with each other and can also translate into death, burial, and resurrection.
- To fulfill when He, the Holy Spirit, moved upon the face of the water in *Gen 1:2* by walking on water in His physical, Messianic, body (*Matt 14:25-26; Mark 6:48-49*). In the Bible scholars have long known that water is a symbol of peoples and so in moving upon the water Yahshua the Messiah was, in type, symbolizing how He would be moving upon the people as the Holy Spirit when He broke up His spiritual body for believers to gain entrance into His spiritual body which is [Yahweh Elohim](#). When His Holy Spirit moves on people it fulfills the prophecy made in *Jer 31:31-34*.
- To fulfill writing the 10 commandments twice in stone with His finger on Mt. Sinai (*Ex 31:18; 34:1*) by writing them again two times with His finger in the sand (*John 8:6-8*). This fulfillment was the action that announced He was bringing that physical 10 commandment law to an end. In fact, we know *what* He wrote in the sand by understanding - knowing that He was [Elohim](#) in a specially prepared body and that He truly meant it when he stated He came to fulfill the Law and the Prophets - that He had to be fulfilling some other time that He wrote something two times. Writing it in sand insured that it would not last, it would blow away with the first wind or be obliterated by footsteps quickly, possibly by His very footsteps. Further, the reason the first stone tablets were destroyed was that they were a type and shadow that the Old Covenant law, that Israel could not keep for 1490 years, would be fulfilled (ended, completed, done away with) by Yahshua (*Col 2:14*) in order to make available the eternal Spirit Law which could then be written in the hearts and minds of men rather than on stone tablets as prophesied in *Jer 31:31-34* which told of the New Covenant promise, a promise made originally to Abraham (*Gen 22:18*).
- To fulfill transforming into Elohim right in front of Aaron, Nadab, and Abihu on Mt. Sinai (*Ex 24:9*) by transforming into Elohim right in front of Peter, James and John on a high mountain (*Matt 17:1-3; Luke 9:28-31*). This proves that He is Yahweh Elohim, His Father (*John 14:7-10*) in whose name He comes (*John 5:43*).

As John the Beloved tells us in *John 21:25* "...many other things that Yahshua did, the which, if they should be written, every one, I suppose that even the world itself could not contain the books that should be written" about Him. Every step He took had meaning, many of which we can find if we know how to look, "...here a little, there a little...line upon line...precept upon precept..." (*Is 28:9-13*) for the institution of things in the Old Testament and the fulfillment of them by Yahshua the Messiah in the New Testament. This preponderance of evidence gives us faith (*Heb 11:1*) as our knowledge grows through grace and the receiving of His Holy Spirit which gives us eternal life with Yahweh Elohim (*John 17:3*). No man lived long enough, thousands of years, to create these institutions and fulfillments: it had to be Yahweh's purpose, pattern, and plan in operation to point us to the One Who is salvation, Yahshua the Messiah.
